

# ASN UPENDO VILLAGE HIV & AIDS HOME-BASED CARE PROJECT, NAIVASHA, KENYA

# BACKGROUND

- ❑ A project of Assumption Sisters of Nairobi in partnership with Wheaton Franciscan sisters started in 2003
- ❑ The project's overall goal is primarily to aid, support and comfort women, men and children living with HIV & AIDS. Upendo means love.
- ❑ The place is referred to as a “village” in reference to all human beings, being members of the global village linked by a common humanity.

# VISION

To be a haven of love and care to people infected and affected by HIV and AIDS in Kenya.

# Mission

Guided by gospel values—  
provide medical, education,  
economic and psychosocial  
support to those infected and  
affected by HIV and AIDS  
within Naivasha community so  
that they can live with dignity  
& self-esteem.
